Laurel, Md., Oct. 25.—A record-breaking crowd saw seven well-contested events pulled off, besides the novelty race, at pulled off, besides the novelty race, at Laurel to-day. Favorites fared badly, not one winning. The winners of the seven races were heavily played, however, and the public came away with the money. The feature event of the day was the novelty race, which brought three men, two horses, two automobiles, and three motorcycles to face the flag. As usual, the receiver way with the last outed against

the men won, with 7 to 1 quoted against them. The borses ruled favorite, while them. The borses ruled favorite, while the motorcyte was second choice, and the men the outsiders. The winner of this race turned up in the man, R. Ken-nedy. This was quite an upset, as the public had played the motorcycles to win. The handlesp, however, was too much for the motorcycles to overcome, and they finished third, while the horse was second.

Christman Daisy, who was played for gred thing, was nosed out at the post, while Lochiel, in the sixth event, suffered the same defeat. Muff, who won her last start previous to to-day, was quoted at 5 to 1 in the ring, while Helen Barbes was even money choice. Muff saved a lot of ground on the home turn, and just

set up in time to win.
Outlan was also played for a good
thing in the eighth race, but he was
never a contender, and El Oro won, while
the consistent place horse. Michael Angelo, who always runs second, got the
place and Montagne third.

Endurance Race for Automobiles.

Through request of the automobile Local drivers of Washington, Manager Brown has decided to put on a ten-mile endur-arise rary on Jureday, October 31. This will be an added attraction to the card of seven other races, and has already a of seven other races, and has already a guaranteed entrance of six racing cars. This will be the first time in the State of Maryland that an automotic race has been pulled off in connection with horse racing. The drivers who have already made entries include the best known in the city of Washington. With continued fine weather the track will be in fast condition and good time should be made. Barry kept running and beat Devore's throw to the plate, Davis scoring shead of him. This ended the scoring in this round—a comedy of errors.

Marquard went in to relieve Wiltse. Six runs and seven hits off Wilse in two and one-third innings. A wild pitch allowed Davis and Earry to score. Marquard threw the ball six feet to the right of Mesven, and the Indian took his time in going after it.
